

Call for Editorial Committee Volunteers

Dear OSMT, our editorial committee needs you.

Are you interested in exploring current practices and emerging trends in the laboratory world? Do you enjoy reviewing information and looking for mistakes? Do you like to have an opinion on what should go into the Advocate?

If you answered yes to these questions, then join us!

The OSMT is seeking new members to serve on our Editorial Committee. We meet a few times each year work to solicit and publish content of interest to our membership. Interested? Send us an email and tell us why you would be great for this volunteer opportunity! osmt@osmt.org.
