

## Scientific Panel

The OSMT is looking for volunteers to donate their time to a newly created committee called the "Scientific Panel". There are a variety of positions available in different disciplines.

The Role: the panel will review scientific submissions to determine if they should/could be published in the *Advocate*, the OSMT's quarterly magazine.

### Requirements:

- Must be a current OSMT member and a member in good standing.
- Must have worked as an MLT or MLA/T for more than 15 years.
- Must have extensive experience in one of the following areas:
  - Safety
  - Hematology
  - Quality
  - Chemistry
  - Pre-Analytical
  - Transfusion medicine
  - Microbiology
  - Histopathology
  - Genetics
  - Cytology

### Additional expectations:

Experience in writing scientific papers or created a poster board or had an article published in a provincial/national magazine. Experience in reviewing scientific articles.

Time Expectations: This will depend on the number of scientific submissions that are collected. Estimated time would be 1hour per submission.

Please send your resume with a covering letter stating your qualifications and interest in this volunteer position to [Mhoad@osmt.org](mailto:Mhoad@osmt.org).
